## **Limitations of Liability:**

This material is designed to provide basic information on how to use MYOB Accounting/Accounting Plus v18. Because business circumstances can vary greatly, the material is not designed to provide specific GST or business advice for particular circumstances. Also, because aspects of the GST are complex and detailed, the material is not designed to comprehensively cover all aspects of the GST. Further, the laws implementing GST and rulings and decisions under those laws may change.

Before you rely on this material for any important matter for your business, you should make your own enquiries about whether the material is relevant and still current, and whether it deals accurately and completely with that particular matter; and as appropriate, seek your own professional advice relevant to that particular matter.

This information is for the general information of MYOB clients and is not to be taken as a substitute for specific advice. Consequently Marian Brown will accept no responsibility to any person who acts on information herein without consultation with Marian Brown.

The information in this book is relevant to MYOB Accounting Plus v18. Earlier or later versions of MYOB software could change the instructions in this workbook.

### **Please note:**

The information in this workbook is accurate at the time of printing [21 June 2009] only. Because payroll legislation and associated websites are constantly changing, url's and screen dumps of websites in this workbook may have changed.

On 21 June 2009, MYOB Accounting Plus v18.5, MYOB Premier v12.5, MYOB Premier Enterprise v6.5 were released. MYOB has informed me that a student edition of this version will not be made available. PLEASE REFER TO APPENDIX C for notes on this version and changes to superannuation.
